親愛的校長、老師、家長和同學:

雅典娜e學園根據時代發展需要和語文學習的關鍵點。 最新開發了「電子書小作家校本寫作」系統·每年通過創意寫作 比賽的主題,讓學生們在課外的範圍輕鬆體驗新興便捷的電子學習 。此系統一方面有互動性和多媒體學習,完成後的作品將會是一本 美觀的多媒體電子書,從而吸引和提高了學生的學習興趣;另一方面 此系統的「字詞分析 | 來協助老師或家長們按照同學的字詞讀寫能 力程度調整教與學的安排,讓同學和老師們都可以不斷進行改進,以 達成「因才施教」的目標。

「電子書小作家校本寫作 | 系統的其他主要功能如下:

- 可直接進行範文編寫和向學生教授範文要點;
- 可制定寫作功課、測驗或比賽的要求和細則;
- 可利用此系統中的「字詞分析」功能對學生作文進行評審
- 此系統在老師評改完作文習作後,會自動進行學生成績排名;
- 此系統也可單獨作為朗誦、繪畫功課或是比賽等項目的師生 互動平台和教師評審系統。

Dear Principals, Techers, Parents and Students,

Athena Space is the first to develop the Youngest eBook Writer System, which is leveraging the latest digital technology and with a focus to enhance students' language skill. We provide a relaxing opportunity to students to experience the digital application as well as learning specific topics in the annual creative essay competition outside the normal curriculum. On one hand, students can learn how to apply the interactive and multimedia features to finish the essays as beautiful multimedia eBooks. On the other hand, the system can analysis the words by grade level to assist teachers and parents in adjusting the ways to guide the students and improve their vocabulary skill gradually according to their individual readability level.

Youngest eBook Writer System has other purposes:

- · Establish sample essays for students and teach them about it;
- · Establish details and guidelines for assignments, guizzes, or competition:
- Use eWords Analytics to assess or analysis the essays written by students:
- After teachers' assessment, the system can automatically arrange the results ranking:
- This system can be applied solely for speech or painting
